

Georg Ranch Subdivision
Architectural Review Committee (ARC)
New Construction

RETURN TO: DAMC, we will facilitate all communication.

As stated in the Restrictive Covenants for Georg Ranch, the Architectural Review Committee must approve all new construction. Request for New Construction should be submitted to DAMC. You must also include one set of full drawings. All information will be forwarded to the Architectural Review Committee (ARC). Once the committee has reviewed your request, DAMC will send you a letter confirming the ARC's response. Please allow 30 days for ARC to process request. Final process after initial approval will be landscape plans that must be submitted prior to move in.
